

## **Report on Canteen Facility for the Academic Session 2024–25**

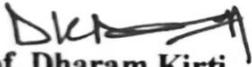

**Submitted by: Prof. Dharam Kirti, Convener, Canteen Committee**

**T.S. Negi Government Degree College, Reckong Peo, District Kinnaur (H.P.)**

The canteen facility at T.S. Negi Government Degree College, Reckong Peo, continued to operate efficiently during the academic session 2024–25 under the supervision of the Canteen Committee. The committee, with active coordination and monitoring, ensured that hygienic, nutritious, and affordable food was made available to students, teaching staff, and non-teaching personnel within the campus.

Regular inspections were conducted to maintain cleanliness, quality of food, and compliance with basic health standards. The canteen provided a variety of food items including snacks, beverages, and freshly prepared meals, catering to the needs and preferences of the diverse student population. The Canteen Committee worked closely with the canteen vendor to ensure timely service, reasonable pricing, and a safe environment for all users. Special attention was given to hygiene practices in food preparation and waste management. The committee also encouraged the use of eco-friendly materials like paper plates and cups to minimize plastic usage.

Overall, the canteen service during the session 2024–25 remained satisfactory, and the committee is committed to further enhancing the quality, infrastructure, and management of the facility in the coming academic sessions. Suggestions from stakeholders are always welcomed to ensure continuous improvement.
