EMERGENCY READINESS UNLEASHED: A SIMULATED DRILL EXERCISE

Aiming to augment institutional preparedness T.S. Negi Government College conducted a Disaster Management Training and Mock Drill on Fire Safety and First Aid on 6 March 2026, in association with the Home Guards Department, 1st Battalion Kinnaur. The training was spearheaded by commandant Suresh Kumar and his proficient team, who delivered an exacting, application-driven training session on fire prevention, emergency evacuation strategies, and essential first aid interventions.

The initiative sought to internalize critical response mechanisms and develop situational competence in managing unforeseen contingencies.

Liminal parting

Daytime steeped in cascade of memories, the Department of Geography, T.S. Negi Government College, Reckong Peo, organized a grand farewell for final-year students under the theme “With Memories, Towards New Dreams,” hosted by B.A second-year students. Students shared emotional memories, making the event heartfelt and memorable. Siya Negi was crowned “Miss Farewell” and Gagan as “Mr. Farewell.”

A solemn adieu was accorded to the following, in recognition of years of sincere service ; their professionalism and integrity shall remain ever cherished.

23 March

Students of B.C.A and P.G.D.C.A converged in a tech- learning space, exploring fundamentals of programming languages C and C++(object oriented programming) while discerning promising realms beyond academia, guided by aspiration and intent.

Academic Extension Drive

A calibrated outreach initiative, held from **24-26** (rescheduled due to inclement weather) for senior secondary schools, under the seasoned guidance of Principal Dr. Uttam Chand Chauhan, aiming to stem the outflow of students to other institutions. Through this effort, the program successfully reached a total of 385 students, including 122 from Science, 22 from Commerce, and 241 from Arts streams, amplifying awareness and inclination toward institution's higher education offerings.
