

Eco-Club 2025-26

The Eco-Club for the academic session 2025-26 is proposed to be constituted on 2nd August 2025 with the objective of Planning and implementing meaningful environmental initiative throughout the year. The club seeks to nurture ecological awareness, inspire responsible behavior, and promote sustainable practices within the campus community.

The club plans to undertake a range of activities such as - cleanliness drives, plantation programmes, observance of important environmental days, awareness campaigns and conservation-oriented efforts. Through these collective endeavours, the members shall contribute towards creating a greener, cleaner and more environmentally conscious campus.
